

A 20x20 grid with a faint, pixelated outline of a person's head and shoulders, rendered in shades of gray. The figure is positioned in the upper left quadrant of the grid. The grid lines are thin and gray, and the background is white. The figure's outline is composed of various shades of gray, with darker areas indicating higher density or intensity. The figure appears to be wearing a cap and a uniform, with a dark vertical band on the right side of the head. The overall style is minimalist and digital, resembling a low-resolution scan or a stylized graphic.
